

MY CALL AWARD

Diploma

To apply for this award you have to work a certain number of stations from all 6 continents, and with the first letter of their suffix you should be able to form the phrase "Amateur Radio" plus your own callsign.

Example : let's assume that IK3GER is applying for this certificate. He will have to work some stations with whose first letter of the suffix he can build the phrase "Amateur Radio IK3GER".

As an example, he might have worked : W3ABC, G0MGR, JA3AAS, VK2TER, LU1EAQ, CN8US, DL0RA + ZS6RS, UA0AAB, UA1DER, VE3IO, ON6OT + SM3IOW, OK3KAQ, 3B8FC, PY1GWE, EE5E, UN7RT.

As regards the number "3" in the call of IK3GER, he may use any DXCC country starting with the number 3 such as 3A, 3B6, 3B7, 3B8, 3B9, 3C, 3D, 3X, 3Z etc.

But if he has worked no country with the figure 3 in the prefix he may turn the number 3 into letters and so becoming "three", and consequently he should work more stations to build the word "three".

This last option may be useful for those hams who have, for example, number "1" or "0" in the call.

Remember that :

- All callsigns listed in the application shall be different
- At least one call from Africa, Asia, Europe, Oceania, North America, South America shall be present in the application
- QSO validity: 1.1.1985 onwards.

Verification via LOTW and eQsl accepted.

The award is free for OM/SWL and sent via email as a PDF file (JPG on request).

Endorsement is available by band and mode.

Send your application to the award manager IK3GER, Paolo, at corsetti.paolo@libero.it
