

WORKED ITALIAN GRID SQUARES

Diploma

This diploma is issued to OM/SWL who have worked/heard a certain number of "Grid Squares" i.e. that combination of letters and figures (example: JN65) that we normally use to identify our QTH locator. Valid grids are those that you may obtain from QSL cards received from Italian amateur radio stations. QSLs from San Marino, the Vatican and SMOM are not accepted for this diploma.

This diploma will be issued in 2 classes, depending on the number of Italian grid squares worked/heard:

Class Basic

for confirmation of at least 10 different Italian grid squares

First Class

for confirmation of at least 20 different Italian grid squares.

* * * *

QSL cards must be in possession of the applicant.

LOTW and eQsl confirmations accepted.

QSO/HRD validity: 1.1.1985.

Endorsement may be requested by mode and band.

The award is free, and sent via email as a PDF file (JPG on request).

Send your application via email to the award manager IK3GER, Paolo, at corsetti.paolo@libero.it
