

WORKED ITALIAN ZIPS

Diploma

The purpose of this award is to encourage OM/SWL to work Italian stations located in locations that have different ZIP code (in Italian CAP, Codice Avviamento Postale).

Stations located in San Marino, the Vatican City and the SMOM are not accepted for this award.

To apply for the basic award you need confirmation of 100 different ZIPS.

The ZIP code may be retrieved from the QSL card that you have received. Stations operating /P will be accepted too only if it is possible to ascertain the place from which the operation has taken place (i.e. activity from castles, lakes, abbeys, lighthouses etc.).

Endorsement available for band and mode.

Upgrades are permitted every 100 new ZIPS confirmed.

QSO/HRD validity 1.1.1985.

QSL cards are not needed, just send a list of stations worked/heard as shown in the example below.

The award is free and sent out via email as a PDF file (JPG on request).

Send your application via email to the award manager IK3GER, Paolo, at corsetti.paolo@libero.it
