

# WORKED SOUTHERN HEMISPHERE

## Diploma

The "WSH" diploma is granted to both OM/SWL who will work/hear at least 50 of the 100 DXCC countries listed in the table at the bottom.

To compile the list all countries belonging to the current "DXCC Countries List" have been taken into account, and have been divided into 2 categories: those located north and those located south of the Equator.

Some countries, such as Congo, Indonesia, Kenya, Zaire etc., are crossed by the Equator. In this case the country has been assigned to one of the 2 hemispheres.

Endorsement is available for band and mode.

QSO validity for this award : 1.1.1985.

QSL cards must be in possession of the applicant. LOTW and eQsl accepted.

The award is free, and sent as a PDF file (JPG on request).

Application (see example) should be sent via email to the award manager IK3GER, Paolo, at [corsetti.paolo@libero.it](mailto:corsetti.paolo@libero.it)
